MANAGER

Can I help you?

Morgan takes out his credentials.

MORGAN

I'm Agent Morgan, this is Agent Rossi with the FBI.

MANAGER

Is this about that missing woman?

ROSSI

Yes. Do you know anything about it?

MANAGER

Only what I saw in the news.

MORGAN

We have reason to believe that our UnSub has been in your facility in the past twenty-four hours.

MANAGER

Here? You think he's here?

ROSSI

We could really use your help.

MANAGER

Do you want to take a look at our manifests?

ROSSI

Thank you. That might be helpful.

MORGAN

(to manager)

Can we have a look around first?

MANAGER
Sure. Let me give you a tour.

CUT TO:

46 INT. TRANSNET DEPOT - DAY (D5) 46

We see trucks being loaded and unloaded in a vast warehouse of product. Rossi, Morgan and the manager make their way through the depot.

MANAGER
This is the loading dock area where the truckers park their rigs to be loaded.

MORGAN
How does this work? Do the truckers just park here overnight?

MANAGER
No. Just the ones that work for us. Although on occasions we allow the free-lancers or Own Authorities to park here.

ROSSI
What's that?

MANAGER
They come in when they want and make their own schedules. They own their own rigs.

Morgan looks at Rossi then gets on his phone.

INTERCUT WITH:

47 INT. BAU/HIGH TECH ROOM - DAY (D5) 47

Garcia typing away.

GARCIA
It's your dime.

MORGAN
Garcia, I have something that might narrow your search. Check for Own Authority truckers who may have worked for TransNet Depot.

CONT →

ROSSI
How often do guys come in and out of here?

MANAGER
Man, you're talking at least a hundred trucks daily.

CUT TO:

49 INT. TRANSNET DEPOT/BREAK ROOM - DAY (D5) 49

Morgan, Rossi and the manager walk into the break room. In the room are an assortment of truckers. Most sitting alone, in their own world. A few together sharing a laugh. Everybody stops what they're doing when the three enter.

MANAGER
This is called the holding tank. Truckers wait here for their loads to be filled.

ROSSI
Everybody seems a little tense.

MANAGER
They all saw the news. You're making them all look like killers.

ROSSI
That's not our intent. We just want to find a missing woman and bring her home to her family.

MANAGER
Let me show you the manifest. It's in my office.

The manager walks away.
