

TEEN DRAMA SCENE 5- BOY/GIRL AT SCHOOL... - DAY

FRANK

Let's meet in the library tomorrow
for our science project.

SUE

Right after school is best.

FRANK

Plus we can work online. Here's my
cell #. What's that on your arm?

SUE

Cat scratches...

FRANK

Weird looking cat scratches.

SUE

JUST CAT SCRATCHES, OK?

FRANK

OK! You don't have to be so
sensitive. Is that a cat scratch
on your other arm too?

SUE

Yeah, so what?

FRANK

Somebody said you were a cutter---
someone who cuts themselves for fun.

SUE

Let me tell you, it's NO FUN! WHO
SAID THAT?

FRANK

Let's go ask Mr. Thompson to get us
different partners

SUE

It's too late for that. You're a
creep, Frank...what do you know about
me?

FRANK

I can see your arms! Where else do
you cut yourself? Your stomach,
your legs? Huh?

SUE

None of your business, asshole!

FRANK

Huh? You cut yourself and call me
an asshole---
(reconsiders)
sorry, I just freaked a little. ---
Does it hurt?

SUE

What?

FRANK

Does it hurt when you cut yourself?
How does it feel?

SUE

It hurts a lot! It hurts a whole
lot. Are you happy now?

FRANK

Happy? Happy that you're hurt? No!

SUE

Then let's get an "A" on this project,
OK.

FRANK

You have to tell your parents.

SUE

Stay OUT of my life! Are you going
to do this project with me or not?

FRANK

You tell your parents and then we'll
work together on this.

SUE

YOU ARE AN ASSHOLE!

FRANK

Your choice---you tell your parents
and we get an "A" or...

SUE

Whatever!

FRANK

That sounds like a yes...

END
