

Joe responds to the detective...

Jo: He's weird!

Det: He's weird.

Jo: Yeah, he's weird.

Det: I need you to help me with "weird".

Jo: You know: goofy, gross, screwy, strange...

Det: Screwy, strange...

Joe: Yeah, you know, "unusual", funky, freaky, odd...

Det: Unusual, funky, freaky, odd...

Joe: And definitely peculiar and crazy...

Det: Peculiar and crazy...

Joe: He's definitely off base and an oddball...

Det: So you ARE scared.

Joe: Not really..

Det: Not...really...

Joe: He's more like silly and wacky and strange...

Det: Silly, wacky, strange...

Joe: Not creepy or mean, just different...not abnormal, just, you know, weird!

Det: I get it, weird...

Joe: Yeah, just weird

Det: So he never hurt you in any way...

Joe: No, we had fun...but he's weird...
